The sentiment behind giving Dad the perfect gift is personified in Macy's Father's Day commercial, [Business Attire](#), which showcases the special bonds between parents and their children, and how putting thought into gifting can reinforce the most meaningful moments and appreciation for family.

"Father's Day is a special time to let Dads know that you appreciate all they do, from finding monsters under the bed and helping with homework to giving much-needed advice and everything in between," said Durand Guion, group vice president, fashion director of men's fashion at Macy's. "We've culled together a unique assortment of items for every kind of Dad at a range of prices, so that you're able to find a gift that is personalized and meaningful. With the help of our newly launched [@macysmen](https://www.instagram.com/macysmen) on Instagram and advice from our hand-selected tastemakers, we hope you'll be inspired by our take on the season's top trend ideas for the perfect gift."

Through dynamic storytelling on social, Macy's is elevating Father's Day gifting inspiration with jaw-dropping visual content and celebrated style experts. Macy's recently launched a dedicated men's fashion destination with [@macysmen](https://www.instagram.com/macysmen) on Instagram. The trend-focused channel touts an abundance of de rigueur fashion, accessories, and grooming essentials accompanied by shoppable looks for any occasion. The platform also features cultural tastemakers, such as Yahdon Israel, founder of Literary Swag book club, Editor-in-Chief of Brooklyn Magazine and VP of National Book Awards, who showcase the latest and freshest styles and content. Israel is seen in several streetwear looks that can be found on [The It List](#)

from [Macy's Presents the Edit](#). Israel and other influencers serve as the perfect intersection of trends and cool inspiration when shopping for Dad.

Macy's is also celebrating Father's Day with a heartfelt and inspiring commercial that highlights the bonds of family. The spot, *Business Attire*, produced by Macy's agency BBDO New York, runs through June 17, and features a busy working dad and his young daughter. In the spot, the daughter gifts the father a festive floral-print shirt and a framed photo of him (wearing a similar shirt) while having fun on vacation together. Touched by the gesture, the father is reminded how the perfect gift can transport you from the hustle and bustle of everyday life and help you cherish what's most important.

Fashion and Accessories

Keep Dad dapper and au courant with the latest trends in fashion, curated by the trend experts in Macy's Fashion Office. An oversized logo-print t-shirt from DKNY and slide sandals from Lacoste and Tommy Hilfiger will give Dad the streetwear edge he needs in his casual wardrobe. A short-sleeved, fitted button-down shirt from Club Room, along with crisp lace-up sneakers from Bar III are instant staples for Dad's closet that are not only stylish and versatile, but also thoroughly modern and of-the-moment. Add panache to Dad's style with a woven leather bracelet with stainless steel accents and an onyx and sterling silver ring, both from a collection created for Macy's by the fashion authorities at Esquire Magazine.

Cologne and Grooming

Father's Day is a perfect time to grab Dad a new scent or stock up on his favorite. Pick up a luxe cologne and find select two- and three-piece sets from Chanel, Armani, Dior, Dolce & Gabbana, Gucci, Yves Saint Laurent, Paco Rabanne, and more – the sets are perfectly versatile for a dad on-the-go. Personalize his gift with Macy's bottle engraving services and special gift wrapping for an even more thoughtful present! Plus, customers who spend \$85 or more on any men's fragrance will receive an insulated foldable cooler, for two gifts in one!

Help Dad fine-tune his grooming by giving him a few basic products that will help him build a regimen and feel great. Kiehl's offers an extensive men's line of moisturizers, shaving accessories, and cleansers that will rejuvenate and refresh, as well as an anti-aging line to help him look as young as he feels. Clinique For Men also offers all the essentials and more – including cleansers in bar and liquid form, hydrators, eye creams, and even moisturizers with SPF to keep Dad protected from the summer sun. Kiehl's and Clinique For Men will have specially curated skincare sets available online and in select stores to ease shopping for Dad.

Home

Make sure Dad is the reigning grill master by gifting him everything for a backyard barbeque. Grilling is truly an art, and the Martha Stewart Collection has all the BBQ tools to feel like a true chef, such as skewers, grilling grids, woks, smoking pucks, and more. Thirstystone wooden serving boards give any food presentation a refined, yet industrial touch. With pool days approaching, Dad will want to fire up the grill and turn up the music – the perfect reason to get him a waterproof Bluetooth speaker from JBL, where he can repeat his favorite songs all day. Luminarc glassware sets help him relax with a cold beverage on a hot summer day – the four-piece sports mug set is a must-buy for stress-free entertaining. If he is more of a wine connoisseur, Macy's Wine Cellar offers a new way to find perfect wines, hand-selected from the world's most exciting vineyards. Shop macyswinecellar.com, featuring hundreds of delicious wines, or sign him up for the Macy's Wine Cellar Club.
